

SAVE THE DATE— TWO WEEKS LEFT

INVITATION TO THE LAUNCH OF THE 3rd ENERGY INVESTMENT RISK ASSESSMENT REPORT

6 October 2020

Virtual launch: 10:00 - 12:00 (CET)

Two weeks left for the launch of the Energy Charter Secretariat's flagship publication— Energy Investment Risk Assessment (#EIRA2020). The report evaluates legal and regulatory risks to energy investments in 30 countries spanning Africa, Asia, the Americas, and Europe.

Due to the COVID-19 outbreak, #EIRA2020 will be launched virtually through Zoom on 6 October 2020 at 10:00 am (CET).

The presentation of #EIRA2020 will be followed by interventions from high-level speakers representing governments, the energy industry, legal experts, international financial institutions and academia. Please find here the updated preliminary agenda. The final version will be shared well in advance of the event.

You are invited to confirm your participation in the #EIRA2020 launch by registering [here](#). You will receive instructions on how to join the launch in a subsequent email after the registration. Please keep the instructions and access password confidential.

Should you have any queries related to the event, please contact the EIRA team (eira@encharter.org).

We look forward to engaging with you!

Kind regards,

EIRA Team
